

# Core Foundation Units

STATEMENT OF ATTAINMENT - AHC20217 CERTIFICATE II IN HORSE CARE

## A Course Summary

Do you need the foundation pre-requisites for another course? Would you like to make sure you have the right foundations about safety and horse care?

Once you have completed these core units, you can then move onto the course of your choice. Remember that there could be credits from this course as you move onto the next course of your choice.

This Statement of Attainment qualification is suitable for people who would like to gain the correct foundations in safety and horses care before moving onto another career course.

## How is this course delivered?

All theory lessons are delivered online through your secure web portal.

Practical assessments can be completed one of the following methods;

- By sending us videos (no charge)
- By attending a workshop with us (additional charge)
- Through a Third Party Report through one of our registered Equine Industry Experts (your current instructor may be able to be registered)

## How long will my course take?

This course for your foundation horse skills qualifications is a short course. If you have some previous experience with horses it has been designed to be taken part-time over ten weeks.

However, it could take more time if you don't have any previous experience with horses and less time if you plan to study full time.

Your enrolment could be extended for up to one year and if you would like to re-enrol, simply contact us for your updated enrolment details.
