

# Foundation Horse Skills

AHC20217 CERTIFICATE II IN HORSE CARE

## <sup>A</sup> Course Summary

Would you like to make sure you have the right foundations about safety and horse care?

Once you have completed the core units, you can choose your electives for the career of your choice!

This full course qualification is suitable for people who would like to gain the correct foundations in safety and horses care and get a qualification to get started with their career in the horse industry.

## How is this course delivered?

All theory lessons are delivered online through your secure web portal.

Practical assessments can be completed one of the following methods;

- By sending us videos (no charge)
- By attending a workshop with us (additional charge)
- Through a Third Party Report through one of our registered Equine Industry Experts (your current instructor may be able to be registered)

## How long will my course take?

This course for your foundation horse skills qualifications has been designed for full time study, over 40 weeks (44 weeks including holidays).

However, it could take less time if you already have previous experience with horses.

Of course you may study part time if you like and your enrolment will be valid for up to two years.

If you would like to re-enrol, simply contact us for your updated enrolment details.
