

Horse Handling Instructor

STATEMENT OF ATTAINMENT FROM CERTIFICATE 2 IN HORSE CARE

Course Summary

Are you passionate about helping people with their horses?

The Equestrian Horseriding Instructor course will give you a professional qualification to teach people how to ride.

This full course qualification includes teaching beginners, nervous riders and children, teaching them the basics so they can go onto progress at any discipline they choose.

How is this course delivered?

All theory lessons are delivered online through your secure web portal.

Practical assessments can be completed one of the following methods;

- By sending us videos (no charge)
- By attending a workshop with us (additional charge)
- Through a Third Party Report through one of our registered Equine Industry Experts (your current instructor may be able to be registered)

How long will my course take?

This course for your horse handling instructor qualifications has been designed for part time study, over three months (12 weeks), with 50 hours recommended teaching experience to be gained during the course.

However, it could take less time if you already have substantial previous teaching experience with horses or plan to study for more than 23 hours per week plan to study full time.

Of course you may study longer if you like and your enrolment will be valid for up to one year. If you would like to re-enrol for a further nine months, simply contact us for your updated enrolment details.

Horse Handling Instructor

STATEMENT OF ATTAINMENT FROM CERTIFICATE 2 IN HORSE CARE

What units of competency are included?

In your Horse Handling Instructor course (Statement of Attainment from Certificate 2 in Horse Care), the following units of competency are included:

Units (4)

ACMEQU205	Apply knowledge of horse behaviour
SISOEQU001	Handle horses
SISOEQU010	Identify hazards, assess and control safety risks for horse handling and riding activities
SISOEQU007	Instruct horse handling skills

The following are recommended only and not mandatory to complete this qualification.

- Your recommended co-requisites can be completed either prior to commencing your course or prior to commencing the coaching component of your course. They are;
- a) St Johns First Aid (or equivalent) which should be completed by an external provider. There is some more information about this course on this link <http://stjohn.org.au/first-aid-training> or contact your local St Johns.

(This is a recommended co-requisite only which would be delivered by an external provider at a cost to the student. It is not required for those teaching in a commercial environment where there is always a First Aider available who holds this unit or equivalent qualifications.)

- b) Australian Sports Commission Online Community Coaching course. (no charge) Details below;

<https://learning.ausport.gov.au/auth/login/>

Next to the yellow Login button, there is an option to register.

There is some flexibility within these units. If you would like to complete additional units within your Horse Handling Instructor course then please talk to us.
