

Horse Husbandry Assistant

AHC21216 CERTIFICATE II IN RURAL OPERATIONS – EQUINE ELECTIVES

^A Course Summary

Would you like to work in the horse industry and need a qualification to get started?
Are you passionate about horses and caring for them?

The Horse Husbandry Assistant course will give you a professional qualification to care for horses safely and correctly.

This full course qualification is suitable for people with some experience with horses and includes use of safe handling techniques, care of horses, assisting the vet, bandaging and some treatments.

How is this course delivered?

All theory lessons are delivered online through your secure web portal.

Practical assessments can be completed one of the following methods;

- By sending us videos (no charge)
- By attending a workshop with us (additional charge)
- Through a Third Party Report through one of our registered Equine Industry Experts (your current instructor may be able to be registered)

How long will my course take?

This course for your horse husbandry assistant qualifications has been designed for full time study, over 40 weeks (44 weeks including holidays).

However, it could take less time if you already have substantial previous experience with horses.

Of course you may study part time if you like and your enrolment will be valid for up to two years. If you would like to re-enrol, simply contact us for your updated enrolment details.
