

Horse Stable Manager

BSB42618 CERTIFICATE IV IN NEW SMALL BUSINESS

^A Course Summary

Would you like to be qualified to look after a stable full of horses or an agistment/ livery/ boarding stable?

Even if you already have another qualification or area of expertise for your horse business, having a depth of knowledge about care and treatment of horses and horse nutrition is an essential part of running a professional horse care establishment.

This full course qualification gives you the skills you need to take the responsibility of management as well as additional knowledge to care for a wide variety of situations that may happen with the horses in your care.

How is this course delivered?

All theory lessons are delivered online through your secure web portal.

Practical assessments can be completed one of the following methods;

- By sending us videos (no charge)
- By attending a workshop with us (additional charge)
- Through a Third Party Report through one of our registered Equine Industry Experts (your current instructor may be able to be registered)

How long will my course take?

This course for your horse stable manager qualifications has been designed for full time study, over 72 weeks (84 weeks including holidays).

However, it could take less time if you already have previous experience with horses.

Of course you may study part time if you like and your enrolment will be valid for up to two years. If you would like to re-enrol, simply contact us for your updated enrolment details.
