

# Introduction To Horses

RGR10118 CERTIFICATE I IN RACING

## A Course Summary

Are you new to horses? You could have very little experience with horses and would like to know more about how to handle and care for horses safely. Or you could be a parent or partner of some-one who ha horses.

Would you like to have a qualification that shows you have knowledge of horse behaviour, can catch and handle quiet horses under supervision and can perform basic stable duties?

This full course qualification gives you the skills you need to take safely work around quiet horses and assist with the care of a horse.

## How is this course delivered?

All theory lessons are delivered online through your secure web portal.

Practical assessments can be completed one of the following methods;

- By sending us videos (no charge)
- By attending a workshop with us (additional charge)
- Through a Third Party Report through one of our registered Equine Industry Experts (your current instructor may be able to be registered)

## How long will my course take?

This course for your introduction to horses qualifications has been designed for full time study, over 12 weeks (14 weeks including holidays).

However, it could take less time if you already have previous experience with horses.

Of course you may study part time if you like and your enrolment will be valid for up to one year. If you would like to re-enrol, simply contact us for your updated enrolment details.
