

Equine Business Management

BSB40320 CERTIFICATE IV in ENTREPRENEURSHIP AND NEW BUSINESS

International **Horse College**

RTO: 31352

Course Summary

This full course qualification gives you the skills you need to take the responsibility of management as well as additional knowledge to care for a wide variety of situations that may happen with the horses in your care.

A depth of knowledge about care and treatment of horses and horse nutrition is an essential part of running a professional horse care establishment. If you would like to gain more knowledge about running your own horse business, especially in the fields of legal requirements, marketing, planning and managing your business so you can earn that profit you deserve, this course is for you.

Entry Requirement: There is a pre-requisite component to this course (due to the high risk nature of the equine industry) of 5 specified horse care units. If you have substantial horse experience or horse related certificates, they could be used in lieu of completing the 5x pre-requisite units.

Acceptable Evidence Options

- Certificates relating to Equines (husbandry, training, instructing etc)
- Certificate of Participation (in any equine related clinics or events)
- Letter from an employer identifying your experience and skills - equines.
- Dressage or Competition tests/exams
