

Introductory Horse Riding Instructor

SIS40321 CERTIFICATE IV in SPORT COACHING WITH EQUESTRIAN ELECTIVES

International **Horse College**

RTO: 31352

Course Summary

This qualification reflects the role of individuals who apply the skills and knowledge to coach participants up to an advanced level in a specific sport. Equestrian sport disciplines must be registered with Equestrian Australia and can include, but are not limited to, dressage, driving, eventing, jumping, para-equestrian, vaulting, show horse, endurance and reining.

For study in this course you will need access to:

- An equestrian environment for practical training and assessments, ideally in a commercial setting.
- Groups of riders where you can gain experience teaching your specialised skills.
- Suitable horses for your practical activities
- A Supervisor who has experience with horses and in particular in the section you are studying. As horse activities are of a high risk nature, it is essential that when you are attempting unfamiliar activities you have completed the theory components prior to attempting the practical components and are under the supervision of an experienced horse person who can perform the task competently.

Students should already have extensive experience in riding and caring for horses, as well as:

- Be an experienced competitor with official results above your area of specialisation; or
- Hold the Certificate 3 in Sport Coaching (Equestrian); or
- Be a professional equestrian coach with at least 200 hours teaching experience.
- Fit and healthy enough to complete the practical components of this course.
- Be at least 17 years of age.

Course Duration:	Full Time Study: 31 weeks	Part Time Study: 62 weeks
Course Delivery:	Online only - Theory delivered through our Student Portal - Practical assessments submitted by video
